# GitHub Desktop

**GitHub Desktop** es un programa descargable que nos permite sincronizar nuestro trabajo de la computadora con nuestro repositorio en la nube.

The background is a solid dark blue. It features several decorative elements: a cluster of small orange dots in the top-left corner; a single orange circle in the middle-left; a set of three concentric orange circles in the top-right; and a circular area with orange diagonal stripes in the bottom-right.

¡Gracias!
